

End of Life Notice for PMV-3A-00 and PMV-3A-PF – AM Power Monitors

May 14, 2014

Please be advised that effective immediately, the following Codan Communications products have reached the end of their manufactured life.

PART NUMBERS	DESCRIPTION
PMV-3A-00	AM, Forward / Reverse Power Monitor
PMV-3A-PF	AM, Forward / Reverse Power Monitor – with Power Fail Indicator

As these AM Power Monitors are being discontinued as a result of the MT-3 product discontinuation, no last time buy is available for them. Please note that the MT-4E VHF and UHF Forward / Reverse Power Monitors (PMV-3-00, PMV-3-PF, PMU-3-00 and PMU-3-PF) are still available.

Codan is committed to providing service and support for the PMV-3A-00 and PMV-3A-PF products in compliance with contractual obligations. Notice will be issued when these products are no longer serviceable.

Please contact the Codan Communications Sales Department at LMRsales@codancomms.com if you have any questions about this notice or require any further product information.

As always, we are very grateful to our loyal customers and regret any difficulties that discontinuation of these products may cause.
